# MAKE THE THERMOMETER RISE

As we hit the dog days of summer the heat is certainly rising outside. Can you help make the thermometer rise on this page? We have until October 1 to reach our goal of raising \$265,000 to secure a \$100,000 matching grant from the L.E. Phillips Family Foundation.

Will you accept the challenge and heat things up? We are \$105,000 in cash & pledges on our way to reaching our goal. We've got fundraisers coming up in the next two months that will raise approximately \$20,000. Kristo Orthodontics has offered a generous donation of \$10,000 if we can raise the remaining \$130,000 by September 15. Just drop us an email at [info@ecct.org](mailto:info@ecct.org) and say you want to "Make the Thermometer Rise" and we'll email you a donation card. It's that easy! Give us a call at 715-839-8877 if you have any questions.
