

MY WAY, 2011

2012 LEGACY CAMPAIGN

In April of 2010 the Eau Claire Children's Theatre unveiled the newest performance venue in Eau Claire, The Oxford. Since its opening over 40,000 school children, music lovers, wedding guests, event attendees and theatre patrons have been to The Oxford. The venue has proven itself to be an enjoyable and versatile location and people continue to discover it as they're looking for music and theatre options, alternate wedding spaces and venues for their own events.

KIDZ KABARET, 2012

When The Oxford opened in 2010 we were able to secure grant dollars and donations to purchase a sound board for the space. This year's Legacy Campaign focuses on completing the sound system in The Oxford with the installation of a speaker system designed for the space that will enhance the sound quality for our patrons and give our young performers more sound support during their performances. Installing a permanent speaker system will provide better sound coverage in the room and decrease wear and tear on the current speakers that must be transported back and forth between shows at The Oxford & the State Theatre. The new speaker system will be more versatile, allowing for better sound reinforcement for the increasingly wide variety of performances that have been coming to The Oxford.

UNITED WAY EVENT, 2011

ROCK CONCERT, 2010

The cost for this installation, and the Campaign goal, is \$15,000. All additional funds raised will be used to install acoustical tiles in The Oxford as the final step in completing the sound system enhancement. We appreciate your support for this project as we strive to bring the best performance experiences to all of our patrons, volunteers, students and performers. We look forward to seeing you soon at The Oxford!
